FIXED INDEMNITY MEDICAL PLAN FREQUENTLY ASKED QUESTIONS

When can I enroll in the Fixed Indemnity Medical Plan?

When does coverage begin?

Coverage will begin the Monday following a payroll deduction and continues as long as you have a deduction from your paycheck. Please review your check stub for deductions. If you miss a payroll deduction, to avoid a break in coverage, you may make direct payments to PAI. After six consecutive weeks without a payroll deduction or direct premium payment, coverage will be terminated and COBRA information will be sent at that time.

If I do not get placed on assignment right away, will I have to complete a new enrollment form?

After six months if there has not been a deduction from your paycheck, please fill out a new enrollment form. Missing information will delay the process.

Can I make changes or cancel coverage?

ESSENTIAL STAFFCARE NETWORK INFORMATION

Stretch Your Benefit Dollars

This benefit plan offers you and your family savings for medical care through discounts negotiated with providers and facilities in the First Health Network. Choosing an in-network provider helps maximize benefits. When you use an in-network provider, you will automatically receive the network discount and the doctor's office will file the claim for you. If you use a doctor who is not part of the network, you will not receive the discount and you may need to file the claim yourself.

How Do I Locate a Doctor?

Enrolled members are encouraged to visit providers in the networks listed in order to maximize their benefit dollars. To find a participating provider or verify your current medical provider is in-network, please call or visit the network websites referenced on this page.

Prescription Drug Network

If enrolled in the Fixed Indemnity Medical Plan, you are automatically covered by the discount prescription drug program through the Caremark Pharmacy Network. Caremark has a national network with over 58,000 participating pharmacies. To find a local participating Caremark pharmacy, you can visit www.caremark.com. Prescription drug benefit information can be found on the Benefits at a Glance page.

What if I need to have a prescription filled?

For generic and brand prescriptions, the plan pays you \$15 per day up to the annual maximum, for drugs dispensed by a pharmacist. Prescription drug coverage is not provided for drugs administered during a physician office visit or hospital stay. If you choose a participating pharmacy and present your ID card, you will receive a discount off the retail price of the prescription at the time of purchase. The pharmacy provider will file a claim for the fixed dollar amount to be paid directly to you.

Do I have to go to an in-network provider?

It is not required that you go to an in-network provider. If you choose a provider who participates in the PPO network, you receive two key advantages:

- PPO discount for all services.
- The provider will file the claim to the plan.
